Windcrest Nursing and Rehabilitation Center Presents First Annual Fredericksburg Fishing Fest

*Local skilled nursing facility invites community to free fishing
extravaganza*

FREDERICKSBURG, Texas - On Thursday, Oct. 20, 2011, Windcrest Nursing and Rehabilitation Center will hold the first annual Fredericksburg Fishing Fest during which residents, their families, staff and community members are invited to go fishing and enjoy a tasty fried catfish lunch.

The event will take place in one of Windcrest's spacious courtyards at 10:30 a.m. and will continue throughout the afternoon. In addition to the served lunch, all those who attend are encouraged to catch their own fish and enjoy the fresh popcorn and refreshments that will be provided.

"This is a great way for our residents to engage with the community while enjoying the great outdoors," Tom Northington, administrator of Windcrest Nursing and Rehabilitation Center, said. "We're excited to start this annual event and be a part of bringing the community together not just once, but every year."

-More-

Windcrest Nursing and Rehabilitation Center, a skilled nursing facility managed by TRISUN Healthcare, is a place where residents enjoy a warm and caring environment as well as the finest amenities for a comfortable stay. Windcrest offers skilled nursing care and medical rehabilitation, including physical, occupational and speech therapy. In addition to professional services, a comprehensive life enrichment program, enhanced dining program, and a spiritual care program with an on-site chaplain are available to residents.
