## **Gracy Woods Nursing Centers Present First Annual Austin Fishing Fest**

*Local skilled nursing facilities invite community to free fishing  
extravaganza on Veterans Day*

AUSTIN, Texas - On Friday, Nov. 11, 2011, the Gracy Woods Campus of Care, which consists of Gracy Woods I and II Nursing Centers, will hold the first annual Austin Fishing Fest during which residents, their families, staff and community members are invited to go fishing and enjoy a tasty fried catfish lunch. More than 250 pounds of live catfish will be brought in for the event.

In recognition of Veterans Day, a brief ceremony will take place to honor Gracy Woods' residents who proudly served our country through military service.

The fishing fest will take place in the spacious courtyard at Gracy Woods I at 10:30 a.m. and will continue throughout the afternoon. In addition to the served lunch, all those who attend are encouraged to catch their own fish and enjoy the refreshments that will be provided.

"This is a great way for our residents to engage with the community while enjoying the great outdoors," Tonya Maldonado, administrator of Gracy Woods I Nursing Center, said. "We're excited to start this annual event and couldn't think of a better day to do so than Veterans Day."

-More-

Gracy Woods I and II Nursing Centers are skilled nursing facilities managed by TRISUN Healthcare. Residents enjoy a warm and caring environment as well as the finest amenities for a comfortable stay. The Gracy Woods Campus offers skilled nursing care and medical rehabilitation, including physical, occupational and speech therapy. Other amenities include a comprehensive life enrichment program, enhanced dining program, and a spiritual care program with an on-site chaplain.

Gracy Woods II is home of the Haven, a special care unit dedicated to enhancing the quality of life for residents with Alzheimer's and other forms of dementia while ensuring their environment is safe and secure.
