## **Colorado Hospice Now Open and Serving Denver and Surrounding Areas**

*Harden Healthcare's Hospice Division Expands Services in  
Colorado*

AUSTIN, TX—Harden Healthcare announced today the opening of Colorado Hospice, LLC, which expands the company's hospice services in the state. Colorado Hospice is located at 1235 West 124<sup>th</sup> Avenue, Suite 104, in Westminster, CO. It serves Denver and surrounding areas, including Denver, Boulder, Arapahoe, Adams, Jefferson, and portions of Weld and Elbert counties.

Colorado Hospice is currently accepting patients. It is accredited by the Accreditation Commission for Health Care (ACHC), which ensures hospice providers meet regulatory requirements, among other criteria.

Harden Healthcare is a Texas-based company that provides a continuum of healthcare services, primarily for seniors, and has operations in 14 states. The company's Hospice Division is one of the largest hospice providers in the Central U.S., serving six states. Prior to the opening of Colorado Hospice, Harden has served the Western Slope area of Colorado through its subsidiary company, Alpine Hospice.

-More-

“We are excited to open Colorado Hospice and offer our hospice services to Front Range residents for the first time,” Jay Koeper, president of Harden Healthcare’s Hospice Division, said. “We are dedicated to partnering with those in need so they can take comfort in the knowledge that someone is there to help—spiritually, emotionally and physically.”

The Colorado Hospice team is led by Stephen Collins, registered nurse, who serves as the company’s director of patient services. Collins previously served as marketing director for Namaste Hospice. Colorado Hospice currently has twelve employees and continues to grow. The company anticipates the need for significant and rapid growth to meet demand in the service area.

Colorado Hospice provides physical, emotional and spiritual care for the terminally ill and ongoing support for their loved ones. The company’s mission is to provide an unparalleled level of care and support to individuals, families and loved ones as they face the realities of life-limiting illness.
